REQUEST FOR REFUND

On March 17, 2005, we filed a Petition for Suspension of Action. The final deadline to file a Notice of Appeal was May 5, 2005, and we had not yet received a decision on our petition. In a conversation between Examiner Dinh and Applicant's representative on April 25, 2005, the Examiner confirmed that he was working on the decision and that we would receive the decision by the end of the week. To ensure the application did not go abandoned we filed a Provisional Notice of Appeal. The Provisional Notice of Appeal states: "Since the exact mailing date of the Decision on Petition is unknown, and to ensure that the application does not suffer any loss of rights in this application, applicant has filed this Provisional Notice of Appeal and authorizes applying the appeal fee if the Decision on Petition has a mailing date after May 5, 2005." Because the decision was mailed May 5, 2005, the Notice of Appeal was not entered. Therefore, we believe the charge to the deposit account was improper.

On November 22, 2005, fees in the amount of \$1,020.00 (extension fee) and \$500.00 (notice of appeal fee) were charged to Fish & Richardson's Deposit Account No. 06-1050. We submit that this was improper. Applicants respectfully request that the overcharge amount be refunded to Fish & Richardson's Deposit Account No. 06-1050 as a credit, referencing Attorney Docket Number 10449-027001.

PROVISIONAL NOTICE OF APPEAL

Applicant hereby provisionally appeals to the Board of Patent Appeals and Interferences from the action dated November 5, 2004, finally rejecting claims 1-13.

On March 17, 2005, Applicant filed a Petition for Suspension of Action to address all of the Examiner's rejections for a co-pending application. On April 25, 2005, applicant's representative spoke to Examiner Dinh to confirm if a decision had been issued. Examiner Dinh confirmed that he was working on the decision and that we would receive the decision by the end of the week. On May 5, 2005, applicant's representative again spoke to Examiner Dinh to confirm if a decision had been issued. Examiner Dinh was not certain which day the decision was mailed, but confirmed that he had produced one. Examiner Dinh then instructed us to contact Kimberly Spears, Supervisor of Examination of Group 2600 to inquire the exact date of the mailing of the decision. Applicant's representative was unable to reach Examiner Sears in person, but let a voice mail message.

Since the exact mailing date of the decision on petition is unknown, and to ensure that the applicant does not suffer any loss of rights in this application, applicant has filed this Provisional Notice of Appeal and authorizes applying the appeal fee to Deposit Account No. 06 1050 if the decision re petition has a mailing date after May 5, 2005 and is then deemed necessary.
